is the topic of our *stretch out* discussion on

Thursday, November 12, 2026

at 8 pm Eastern, 7 Central, 6 Mountain & 5 Pacific Time.

This is a "Show and Tell" session. Since the holiday season is rapidly approaching, our theme is Green Stretch Glass. This discussion handout will hopefully get you started. We'll quickly review the greens made by the manufacturers, then you can show and tell us about your glass! Of course, if you have other glass to show or ask questions about..go for it!

Information is available on our website, stretchglasssociety.org
